Dear Tony,

On reexamination I discover the record of  
Zion Church, East Huntington Twp. to read David,  
not Daniel. The entry was very obscure and  
hurridly written. The German letter v -sic m  
lacked the usual "tail" and the second point was  
not elevated as the habit of the scribe usually  
did. Dr. Mueller, curator at the Archives concurs.

The record should show:

Zion Church, East Huntington —

ZE 167 David, son of Melichor and Maria  
Scherbandy, was born 21 Dec 1799 and  
baptized 25 May 1800. Sponsors were Georg  
and Anna Maria Scherbandy.

Attest,

Paul M. Ruff

This is all that is to be found in Westmoreland County Church records on the Sherbondy family up to 1850. Also, it represents material available in Mercer County up to 1850

It would seem that George & Melchior were brothers as was also Philip. John was likely an older son of Philip George. An educated guess would be that Melchior lived in East Huntington Twp, George in South Huntington and Philip in North Huntington or Hempfield. Philip moved to Mercer County between 1805 and 1816. John moved from South Huntington Twp to Allegheny Twp between 1823 and 1840
