Ridinger Lake

Ridinger lake is located in the east central part of Kosciusko county. It is known as an excellent fishing resort. Riley beach, on the east side, is the principal developmnt. This is a new, beautiful, clean, quiet residential, 30-acre resort where pure cold water is piped under pressure all over the grounds. Every cottage has inside toilet, electric lights and running water. Outside toilets are not allowed. Lots for sale with water mains and light lines ready to tap when cottage is built. A booklet is sent free describing the resort and 18 rental cottages with rates. You are invited to write, telephone or drive in and learn more about this unique resort where you get a great deal for your money if interested in purchasing property or renting. This resort is located two miles north of U. S. Highway No. 30, about 12 miles west of Columbia City and 10 miles east of Warsaw. Large arrows point the way from Road No. 30.

Yellow Creek Lake

Yellow Creek Lake is in the southern part of Kosciusko County three and one-half miles west of State Route 15. It covers about three hundred acres and has an average depth of thirty feet although there are some places over one hundred feet deep. There is no muck in this lake and it is said that the fish caught in this lake have the best taste of any to be found. The water is clear and sparkling due to the fact that the lake is fed by springs.

Another feature that should not be overlooked is the fact that there are no mosquitoes at this lake. It is 52 miles west of Fort Wayne, 121 miles southeast of Chicago and 102 miles north of Indianapolis. Full information regarding rates may be had by addressing Ed Sherbondy, R. F. D. No. 1, Claypool, Indiana. Cottages are available for rent and there is a free camp for tourists. Boats are available for fishermen at reasonable rates.

Beaverdam Lake

In the southern part of Kosciusko county, a mile north of State road No. 14, which runs due west from Fort Wayne, Indiana, lies a beautiful fishing lake that is hard to beat. This lake is famous for the excellent taste of fish caught from it. The lake is deep and fed by cold springs. The shores are dotted with cottages. Grant's Fishing Resort carries a good supply of fishing tackle and groceries. Here meals are served and boats and cottages may be rented.
