Biographical information on Betty and Bill JONES:

Education: Jeff - since I'm divorced all I'll say about Bill is that he
is a Dr. of Veterinary Medicine and lives in California.

Me: I ; presently have Junior status here at Colorado State University. I went
to Graceland College in Lamoni, Iowa, and Cerritos College in Norwalk, California
briefly, and have attended CSU on a part-time basis during the 7 years I have worked
here. We can take 6 credits a year as part of our benefits. I'm mostly studying
history and english courses.

Vocations & business activities:

Secretary, Department of Civil Engineering
Colorado State University

PROGRAM: Fluid Mechanics and Wind Engineering

My job is interesting. My boss is in charge of all the wind-tunnel research done
here at CSU. We build scale models of the area we are testing, whether it is a bldg.
a bridge, etc., and simulate the natural wind for that area to see what effect the
wind has on that particular structure. Sears Tower in Chicago is one of the more famous
buildings we've done

Hobbies:
reading, writing, geneology, studying about the west. I have a collection of
books on the west, and a collection on the horse.

Likes & Dislikes:

I like doing things with my kids; traveling, trains, the west, country music,
books; I dislike long cold winters, cleaning house, getting up early on Saturday
mornings, teaching kids to drive (just finished with my last one) he got his
license Sept. 14th.

~~Personal~~
Sports (participating or spectator):

I like to square dance. I like to go for walks.

Interests & talents:

My talents are pretty much my secretarial skills. My latest skill has been learning to operate the word processor. It has been fun. One can sure put out a lot more work, and make it look so nice.

Places of residence:

Wyoming, Colorado, Oregon, Iowa and Michigan

I grew up in Laramie, Wyoming. Then lived in Colorado when I first got married, then lived briefly in Oregon, Iowa and Michigan when my former husband was working on his PhD degree and also when he was teaching college. I have lived back here in Ft. Collins, Colorado since 1971.

Military Service:

--

Religious affiliation & activities:

I'm a member of the Reorganized Church of Jesus Christ of Latter Day Saints, where I serve as Treasurer.

I'm also the single adult representative

Political affiliation & interests:

unaffiliated

Other Information:

My older 3 children are out on their own now. My daughter Nina lives here in Ft. Collins about a mile from me. My son George & his wife Celeste live in Denver, he is working on his International Law degree at the University of Denver. My son Roy (he is the one that got married this summer) and his wife Leesa live in Eureka, CA

They are both attending college. She's a freshman and he is a Jr. at Humboldt State College. My son Todd is a Sophomore here at CSU. He recently moved into his own apartment. His major is electrical engineering. My son Troy and I live in a big two-story house. He is a Jr. in high school. His main interest is art.
