Mr. Corman,

I

I am Jeff Sherbondy, ~~am~~ I'm 17  
years old, and the son of Richard L. Sherbondy  
who is the son of Alden K. Sherbondy.  
I was born in Omaha and we lived  
there for 10 years, but now we are  
living in Wichita.

I was going to write to your mother,  
but didn't get the town (I don't know  
your address) in which you live and other  
information until lately.

I am interested in the Sherbondy  
history, family, name, and I would like  
to know if you have the records and  
information which your mother researched  
on the Sherbondy family.

I was wondering if you would mind  
giving up all or part of the records so  
I could continue to work on and

research (or try, I hear her <sup>work</sup> research was really extensive) the Sherbondy Family Tree.

If you would consider forfeiting some of ~~all~~ the records, we would be able to stop by on our way to Omaha around June 18.

Would you please send me your reply along with your address and instructions on how to get there.

Thanks you very much,

Jeff Sherbondy

P.S. If you would like to keep the records and would not consider giving them up, would it be possible to make copies of them if I paid for it?
